WHITE RIVER COUNTRY ESTATE

White River Country Estate has grown into one of the best golf course housing estate developments in South Africa. All the ingredients that are necessary for a successful golfing estate can be found here. Forming the backdrop to the White River Country Club Golf Course are magnificent homes situated on generous sized stands.

Security is a top priority, and this enables both adults and children to enjoy a wonderful carefree lifestyle. The estate typically has no walls inside the boundaries, resulting in an open park-like atmosphere where one can take advantage of a late-night stroll and other activities presently denied those in many built up metropolitan areas.
